

Global conference on
Materials Science and engineering

GLOBAL MAT 2026

July 23-24, 2026 (In-Person)

@ Hotel-NH Danube City, Vienna, Austria

July 25, 2026 (Virtual Via Zoom Platform)

<https://globalmaterials.annualforums.com/>

Invitation

Dear Attendees,

We are delighted to welcome you to Global Mat 2026, Global conference on Materials Science and engineering, taking place from July 23 & 24, 2026 (In-Person at Vienna) & July 25, 2026 (Virtual Via Zoom Platform). This prestigious event serves as a global platform where researchers, industry experts, and academic leaders converge to discuss the latest breakthroughs and challenges in materials science.

As one of the premier conferences in the field, Global Mat 2026 will feature a comprehensive program covering nanomaterials, biomaterials, computational materials science, materials chemistry and physics, and sustainable materials, among other key topics. Through thought-provoking keynote presentations, interactive panel discussions, and hands-on workshops, participants will gain insights into emerging technologies and their potential impact on society.

The conference is designed to foster interdisciplinary collaboration by bringing together experts from academia, industry, and research institutions. It provides a unique opportunity to exchange ideas, build partnerships, and explore innovative solutions that will shape the future of materials science and engineering. Whether you are an experienced researcher or an early-career professional, Global Mat 2026 offers an engaging environment to learn, connect, and contribute to advancements in the field.

Vienna, a city celebrated for its imperial history, vibrant cultural scene, and scientific achievements, provides an inspiring backdrop for this international gathering. The Hotel NH Danube City, located in the heart of Vienna and known for its excellent facilities and modern amenities, offers the ideal setting for productive discussions and meaningful networking. Beyond the conference, we encourage you to explore Vienna's historic architecture, charming streets, world-class museums, and renowned culinary delights, making your visit both professionally rewarding and personally enriching.

We sincerely thank you for being a part of Global Mat 2026 and look forward to an engaging and successful event.

Welcome to Vienna, Austria, and let's shape the future of materials science together!

Why To Attend Global Mat 2026?

1. Engage with Visionary Leaders: Connect with globally renowned researchers, industry pioneers, and materials science and engineering thought leaders.
2. Stay Ahead of the Curve: Discover the latest breakthroughs, cutting-edge technologies, and emerging trends shaping the future of materials science.
3. Gain Fresh Perspectives: Learn innovative approaches to solving challenges in the field and spark new ideas for your work.
4. Advance Your Expertise: Deepen your knowledge through engaging talks, workshops, and panel discussions led by experts.
5. Expand Your Professional Network: Build valuable connections with peers, collaborators, and potential
6. partners from academia and industry.
7. Showcase Your Research: Present your findings and gain feedback from a diverse audience of professionals and specialists.
8. Interact with Industry Leaders: Meet top companies and institutions showcasing their latest products, services, and technologies.
9. Explore Career Opportunities: Discover new markets, partnerships, and career pathways in this dynamic field.

Scientific Sessions & Tracks

- Materials Science and Engineering
- Nanomaterials & Nanotechnology
- Polymer Science & Engineering
- Catalysis and Chemical Engineering
- Graphene and 2d & 3d Materials
- Artificial Intelligence in Materials Science and Engineering
- Biopolymers and Bioplastics, Biomechanics
- Metallurgy, Metals and Mining Materials
- Computational Modeling of Metals and Materials
- Ceramics, Composites & Advanced Ceramics
- Metals, Alloys & Metallurgy
- Electronic, Magnetic & Photonic Materials
- Semiconductors & 2D Materials (Graphene, MXenes)
- Carbon Nanotubes & Carbon-Based Materials
- High-Entropy Alloys & Ceramics

About Austria

Vienna, the capital of Austria, is a city where imperial grandeur meets modern sophistication. Nestled along the banks of the Danube River, Vienna is celebrated for its rich history, classical music heritage, elegant architecture, and exceptional quality of life. Often referred to as the “City of Music,” it has been home to legendary composers like Wolfgang Amadeus Mozart and Ludwig van Beethoven.

Once the heart of the powerful Habsburg Empire, Vienna evolved from a Roman military camp into one of Europe’s most influential cultural and political centers. Today, it stands as a global hub for diplomacy, innovation, and tourism, seamlessly blending tradition with a vibrant contemporary lifestyle.

Situated in northeastern Austria, Vienna spans approximately 415 square kilometers and is surrounded by scenic vineyards, rolling hills, and the Danube Valley. The city experiences a temperate continental climate, with warm summers and cold, snowy winters—perfect for both outdoor exploration and cozy café culture.

Vienna is internationally recognized for its high standard of living, efficient public transport, and commitment to sustainability. The city is also home to major international organizations such as the United Nations Office at Vienna, making it a key center for global cooperation.

Vienna’s cultural landscape is a harmonious blend of imperial history and modern creativity. From grand palaces and opera houses to contemporary art museums and trendy neighborhoods, the city offers something for everyone. Its famous coffeehouse culture, traditional cuisine like Wiener Schnitzel, and world-renowned pastries such as Sachertorte further enhance its charm.

Interesting Facts about Vienna

Vienna has consistently ranked among the world’s most livable cities due to its safety, infrastructure, and cultural richness.

Over 50% of Vienna is made up of green spaces, including parks, gardens, and forests.

The historic center of Vienna is a UNESCO World Heritage Site.

Vienna is often called the “City of Dreams,” inspired by Sigmund Freud, who lived and worked here.

The city hosts over 450 balls every year, continuing a long-standing tradition of elegance and music.

City Attractions

- **Schönbrunn Palace**

A magnificent former imperial summer residence featuring stunning gardens, opulent rooms, and rich Habsburg history.

- **St. Stephen's Cathedral (Stephansdom)**

A Gothic masterpiece and one of Vienna's most iconic landmarks, located in the heart of the city.

- **Vienna State Opera**

One of the world's leading opera houses, offering outstanding performances year-round.

- **Hofburg Palace**

The former imperial palace, now home to museums, the Austrian president's office, and the famous Spanish Riding School.

- **Prater & Giant Ferris Wheel**

A historic amusement park featuring the iconic Wiener Riesenrad, offering panoramic views of the city.

- **Museums Quartier**

One of the largest cultural complexes in the world, blending classical and contemporary art.

- **Naschmarkt**

A vibrant market offering international cuisine, fresh produce, and a lively atmosphere.

- **Danube Tower (Donauturm)**

The tallest structure in Austria, providing breathtaking panoramic views and a rotating restaurant.

- **Albertina Museum**

A renowned museum featuring graphic arts, photography, and masterpieces from artists around the world.

Important Dates

Conference Date	July 23-25, 2026
Abstract Submission Opens	July 15, 2025
Registration Opens	July 15, 2025
Final Abstract Submission	July 20, 2026
Final Registration	July 21, 2026

Conference Registrations

Registration Fee (Per Person) Academia Registration Fee:

Type	Before November 30 th , 2025	Before March 31 st , 2026	Final Call July 3 rd , 2026
Only Registration	\$599	\$699	\$799
Poster Presentation	\$699	\$799	\$899
Listener/Delegate	\$749	\$849	\$949

Sponsorship & Exhibition Registration Fee:

Type	Before November 30 th , 2025	Before February 28 th , 2027	Final Call July 13 th , 2027
Sponsorship	\$2999	\$3099	\$3199
Platinum	\$3999	\$4099	\$4199
Gold	\$3699	\$3799	\$3899
Silver	\$3299	\$3399	\$3499

Registration fee Includes:

- One Presenter/Listener Slot
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recordings & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as a Listener for one year from the date of the conference.
- Lunch during the conference

Conference Accommodations:

Type of Accommodations	Amount in Dollars
Stay Pack A (Two Nights Stay)	\$999
Stay Pack B (Three Nights Stay)	\$1199
Stay Pack C (Four Nights Stay)	\$1399
+1 EXTRAACCOMMODATION (ONE NIGHT)	\$249
Extra Person (Accompany)	\$299

All Packages (A, B & C) include:

- Complimentary Wi-Fi in the guest rooms
- Complimentary Breakfast
- Speaker/Listener Pass
- Participation Certificate
- Access to conference sessions and panel discussion
- Conference Kit
- Access to all the conference rooms
- Access to Conference Recording & Photos
- University Logo placement on banners
- Abstract Book
- Access to all virtual conferences as Listener for one year from the date of conference

Global mats 2026 – Sponsorship & Booth Packages

PLATINUM SPONSORSHIP

- Exhibition booth space of 3*6 meters with priority to purchase exhibition space and choose booth location
- Two conference passes & two booth personnel passes
- Web listing with a link to your company website
- Publication of the exhibitor profile in the souvenir (two A4 color pages)
- Logo recognition in the scientific program, conference banner, and flyer
- Participation in the one-on-one partnering program
- Acknowledgement during the opening ceremony
- Speaker opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online promotion on all our social networking sites
- Three inserts provided by the sponsor in the Congress delegate bags

GOLD SPONSORSHIP

- Exhibition booth space of 3*6 meters
- One conference pass & two booth personnel passes
- Web listing with a link to your company website
- Publication of the exhibitor profile in the souvenir (two A4 color pages)
- Logo recognition in the scientific program, conference banner, and flyer
- Participation in the one-on-one partnering program
- Acknowledgement during the opening ceremony
- Speaker opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online promotion on all our social networking sites
- Two inserts provided by the sponsor in the Congress delegate bags

SILVER SPONSORSHIP

- Exhibition booth space of 3*3 meters
- One conference pass & one booth personnel pass
- Web listing with a link to your company website
- Publication of the exhibitor profile in the souvenir (one A4 color page)
- Logo recognition in the scientific program, conference banner, and flyer
- Participation in the one-on-one partnering program
- Acknowledgement during the opening ceremony
- Speaker opportunity in the conference program
- Company logo on all on-site signage
- An exclusive online promotion on all our social networking sites
- One insert provided by the sponsor in the Congress delegate bags

SHOWCASE BOOTH

- This can include prototypes, demonstrations and display booths to showcase your innovative solutions at NBC (Nano Budapest 2026).
- Each registration includes:
- Exhibition booth space of 3*3 meters
- Dressed table and chairs
- Web listing with a link to your organization's website
- An exclusive online promotion on all our social networking sites

SPONSORSHIP

We invite you to become a valued sponsor or exhibitor at Global Mat 2026, taking place from July 23 & 24, 2026, at Hotel NH Danube City, Vienna, Austria. This premier event offers a unique platform for corporations, research institutions, and industry leaders to showcase their expertise, engage with top-tier professionals, and gain unparalleled visibility in the field of materials science and engineering.

Sponsorship Benefits	Exhibitor Benefits
<ul style="list-style-type: none">• Draped booth space of 3*6 meters with priority to purchase exhibition space and choose booth location• Two conference passes & Three booth personnel passes• Web listing with link to your company website• Publication of the exhibitor profile in the souvenir (2 A4 colour pages)• Logo recognition in the scientific program, Conference banner and flyer.• Participation in the One-on-One Partnering Program• Acknowledgement during Opening Ceremony & Gala Dinner• Speaker Opportunity in the conference program• Company logo on all on-site signage• An exclusive online Promotion on all our Social Networking Sites.• Three inserts provided by the sponsor in the congress delegate bags.	<ul style="list-style-type: none">• Draped booth space of 3*3 meters• One conference passes & one booth personnel pass• Web listing with link to your company website• Publication of the exhibitor profile in the souvenir (1 A4 page)• Logo recognition in the scientific program, Conference banner and flyer.• One Presentation Slot about the organization.• Advertisement Video on conference website

Who Can Exhibit?

- Commercial Organizations
- Research Laboratories
- Universities/Institutes
- NGO's
- Start-up Companies
- Journal Publishers

Why to Sponsor?

As one of the most anticipated gatherings in materials science, this event provides an exclusive opportunity to:

- Enhance brand recognition by positioning your company at the forefront of innovation.
- Connect with global leaders, researchers, and industry professionals in cutting-edge materials research.
- Showcase your latest products, technologies, and services to a highly targeted audience.
- Build strategic partnerships that drive future collaborations and business growth.

Exhibitions allow you to advance all your marketing goals:

- Longterm building
- Generating media coverage
- Engage with loyal customers
- Teaching new prospects about offerings
- Promote your services to potential clients
- Teaching new projects about your offerings
- Showcase your products to the event attendees
- Establish partnership with key players in the value chain
- Establish collaborations with other companies and individuals
- Identify prospective clients among conference attendees and organizations they represent

About Annual Forums.

At **Annual Forums**, we are dedicated to advancing scientific knowledge and fostering collaboration within the academic and research communities. As a leading scientific conference organizing firm, we specialize in planning, managing, and executing exceptional conferences that provide a platform for researchers, scientists, scholars, and industry professionals to share their findings, exchange ideas, and drive innovation.

Annual forums believes that knowledge should be easily accessible without restrictions. It understands the unique challenges faced by researchers in their work towards achieving their personal and professional fulfilment.

BOOK MARK YOUR DATES FROM
July 23-24, 2027

We look forward to meeting you in Vienna
An enriching knowledge experience awaits your presence. Let's make
memories together to be cherished later.
